LOVE
SWEET

Lolly pops, cupcakes, bubble gum and even a milkshake... The sweetness of a candy shop is the perfect setting for a whimsical wedding.

Wedding designer Rachel A. Clingen brings to life this magical candy land full of sugar and love.

You can't help but notice the gorgeous floral ball swirled with flowers and how it resembles a huge candy drop! Colourful satin ribbons, a to die for cake, chocolate martini glasses, and even a mini bubble gum machine make this shoot total EYE CANDY!
