Event Design

Love is Sweet

GOWN AVAILABLE AT: **Valencienne**

Love is always sweet and this gorgeous style shoot by Wedding Designer Rachel A. Clingen has all the lovely details! The lucite head table is stunning with fabulous floral centrepieces bursting with shades of pinks and peaches. An adorable row of babysbreath is the the perfect accent.

Cute cake pops displayed on mini trays are almost too pretty to eat! Swoon over the bridal bouquet, a gathering of beautiful phalaenopsis orchids and garden roses tied together and finished off with the prettiest of details, a cream satin bow and a grouping of pearls. A breathtaking back drop created with couture tufted panels, soft sheer drapes and detailed with oversized paper flowers give the head table a luxurious and romantic feel.
