ABOUT THE COUPLE

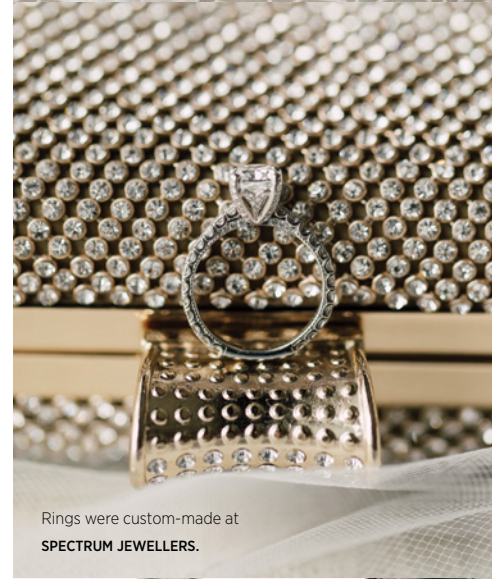

The couple was wed in a traditional ceremony at **GRACE CHURCH ON-THE-HILL**. According to April, "The most memorable moment for us was seeing each other for the first time in the church. It's such a beautiful moment we will both never forget."

The bridesmaids wore black gowns from **PEARL BRIDAL HOUSE**. The groomsmen wore formalwear from **SURMESUR**. A trio from **WELLINGTON MUSIC** performed live at the ceremony. Transportation for the day was provided by **TORONTO LIMO RENTALS**.

April and Peter Papousek first met at a Christmas party in 2013, or so they thought. Following the party, something came over Peter that made him feel like he had to reach out to April. He thought he remembered meeting her before that night but couldn't quite put his finger on it. Lucky for him, when he got in touch with April and asked her out, she accepted. It was on their first official date that they discovered they had actually worked at the same restaurant ten years prior. "I wondered why it took so many years and meeting more than once for us to be together, but I don't think we were ready for what we have now back then. Since that day, we have been inseparable and have travelled the world together," shares April.

Two years later, the couple found themselves celebrating the purchase of their first home together. Before heading downtown for dinner, Peter insisted they stop by the new house for the very first time and open a bottle of champagne. Peter handed the key to April and when she opened the door, she noticed a trail of rose petals. "At the time, I didn't know Peter had already received the key to the home and prepared this surprise, so of course I was confused to see the rose petals," remembers April. She followed the flowers into the living room and it was there that Peter got down on one knee and asked her to be his forever.

April and Peter's nuptials were held on July 14, 2018 in Toronto, Ontario. Ashley Pigott of **ASHLEY PIGOTT EVENTS** helped plan the event from day one.

Rings were custom-made at **SPECTRUM JEWELLERS**.

NATURAL GLAMOUR

After the ceremony, guests made their way to CASA LOMA where April’s wish for a “classic, elegant, and traditional” reception came true. The RACHEL A. CLINGEN WEDDING & EVENT DESIGN team filled the Glass Pavilion with white florals, hints of greenery, gold accents, and crystal candelabras. Tables were detailed with a variety of centrepieces, from candelabras with low floral bouquets at the base to classic arrangements of sculpted florals on tall, glass stands. The most romantic arrangements of all were the suspended centrepieces of loose blush, cream, and white blooms floating above gallery tables. “The Pavilion at CASA LOMA was out of this world! We were blown away,” recalls April.

END NOTES

April and Peter's epic month-long honeymoon took them all over Europe. They started in Spain, before visiting Greece, Portugal, Switzerland, and Italy. The newlyweds enjoyed tapas and sangria in Barcelona, relaxing in their infinity pool on the caldera cliffs in Santorini, hiking the Swiss Alps, and drinking Brunello in Tuscany. "It was only the best honeymoon ever!" says April.
